⚠ CAUTION! This training certificate is not the Food Manager Certification.

You have completed the Food Safety Manager Training. If you are required to get the Food Manager Certification and only purchased the Food Safety Manager Training, you can purchase the exam and schedule a proctored session at statefoodsafety.com/fsm. If your area has a Demonstration of Knowledge requirement, check with your health department for any additional steps you need to take beyond completing this training.

This training certificate meets "Demonstration of Knowledge" requirements.

If your health department has a Demonstration of Knowledge requirement, it's likely that your workplace will be inspected by the health department at least once. Be sure to keep a copy of this certificate (above) on file to show the health inspector that you have received comprehensive food safety training and are prepared to effectively lead and train your staff in safe food handling procedures.
