Please Read

This training certificate is not a nationally-recognized and accredited Food Manager Certification.

—To become a Certified Food Protection Manager (CFPM), you must successfully pass an accredited exam administered by a proctor.

—You can register for an exam at www.statefoodsafety.com. If you purchased this course in a package that included the CFPM exam, please return to your My Courses page to schedule with a proctor and take your exam.

This training certificate meets “Demonstration of Knowledge” requirements.

—If your health department has a Demonstration of Knowledge requirement, it's likely that your workplace will be inspected by the health department at least once.

—Be sure to keep a copy of this certificate (above) on file to show the health inspector that you have received comprehensive food safety training.
